NeurIPS EXPO  DEC 8th

TUTORIALS  DEC 9th

CONFERENCE  DEC 10th - 12th

WORKSHOPS  DEC 13th - 14th

NeurIPS EXPO is a component of Neural Information Processing Systems on Sunday, December 2, preceding the Tutorials. Sponsors will present talks, panels, workshops, and demonstrations on topics that are relevant to the Neural Information Processing Systems community. Participants must register for the EXPO.

General Chairs:
Hanna Wallach (Microsoft Research)

Program Chair:
Hugo Larochelle (Google Brain)

Program Co-chairs
Alina Beygelzimer (Yahoo! Research)
Florence d’Alché-Buc (Télécom ParisTech)
Emily Fox (University of Washington & Apple)

Diversity and Inclusion Chairs:
Katherine Heller (Duke University & Google)
Charles Isbell (Georgia Tech)

Tutorials Chairs:
Alice Oh (KAIST)
Danielle Belgrave (Microsoft Research)

Workshop Chairs:
Jenn Wortman Vaughan (Microsoft Research)

Workshop Co-Chairs:
Marzyeh Ghassemi (University of Toronto)
Shakir Mohammed (DeepMind)
Bob Williamson (ANU & DATA61)

Demonstration and Competition Chairs:
Hugo Jair Escalante (INAOE)
Raia Hadsell (DeepMind)

Press Chair
Katherine Gorman (Collective Next)

Reproducibility Chair
Joelle Pineau (McGill & FAIR)

Meetup Chair
Joelle Pineau (McGill & FAIR)

Publication Chair:
Roman Garnett (Washington Univ. in St. Louis)

Party Chair
Pablo Samuel Castro (Google Brain)
Hassan Kane (Sela Labs)
